Sinhala

OBJECTIVE

Passionate and self-driven undergraduate with hands-on experience in video editing, blogging, and graphic design, as well as strong knowledge of AI tools and full computer literacy. Currently pursuing university studies and actively seeking a remote or part-time job to balance education while growing professionally. With a deep interest in digital media, content creation, and modern tech trends, I aim to contribute value to forward-thinking teams while continuously learning and evolving in a dynamic, creative environment.
